## Forward-looking statements

This document may include forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995, such as statements with respect to Coutts & Company's (Coutts) financial condition, results of operations and business, including its strategic priorities, financial, investment and capital targets, and climate and sustainability related targets, commitments and ambitions described herein. Statements that are not historical facts, including statements about Coutts beliefs and expectations, are forward-looking statements. Words such as 'expect', 'estimate', 'project', 'anticipate', 'commit', 'believe', 'should', 'intend', 'will', 'plan', 'could', 'target', 'goal', 'objective', 'may', 'outlook', 'prospects' and similar expressions or variations on these expressions are intended to identify forward-looking statements. In particular, this document may include forward-looking statements relating, but not limited to: Coutts credit risk, its regulatory capital position and related requirements, its financial position, profitability and financial performance, its liquidity and funding risk and non-traded market risk. Forward-looking statements are subject to a number of risks and uncertainties that might cause actual results and performance to differ materially from any expected future results or performance expressed or implied by the forward-looking statements. Factors that could cause or contribute to differences in current expectations include, but are not limited to, the outcome of legal, regulatory and governmental actions and investigations, the level and extent of future impairments and write-downs, legislative, political, fiscal and regulatory developments, accounting standards, competitive conditions, technological developments, interest and exchange rate fluctuations, general economic and political conditions and uncertainties, the exposure to third party risk, operational risk, compliance and conduct risk, cyber, data and IT risk, financial crime risk, key person risk, credit rating risk, model risk, reputational risk and the impact of climate and sustainability related risks and the transitioning to a net zero economy. These and other factors, risks and uncertainties that may impact any forward-looking statement of Coutts actual results are discussed in NatWest Group plc's 2025 Annual Report and Accounts and its other public filings. The forward-looking statements contained in this document speak only as of the date of this document and Coutts does not assume or undertake any obligation or responsibility to update any of the forward-looking statements contained in this document, whether as a result of new information, future events or otherwise, except to the extent legally required.

## Presentation of information

This document presents the consolidated Pillar 3 disclosures for Coutts & Company (Coutts & Co) at 31 March 2026. It should be read in conjunction with the Q1 2026 NatWest Holdings Group Pillar 3 report, which is published in the same location at: [investors.natwestgroup.com/reports-archive/2026](https://investors.natwestgroup.com/reports-archive/2026).

Coutts & Co is incorporated in the United Kingdom and is a subsidiary of NatWest Holdings Limited ('NWH Ltd'). NatWest Group plc is 'the ultimate holding company'. The term 'NatWest Group' refers to NatWest Group plc and its subsidiary and associated undertakings.

Based on the criteria set out in the UK CRR, NatWest Group primarily defines its large subsidiaries in scope of PRA Pillar 3 disclosures as those designated as an Other Systemically Important Institution (O-SII) by the PRA or those with total assets equal to or greater than €30 billion.

Coutts & Co as a large, non-listed subsidiary of NatWest Group, is subject to a reduced number of disclosures as set out in the PRA Rulebook.

The disclosures for Coutts & Co are calculated in accordance with the UK CRR (split across primary legislation and the PRA Rulebook) and completed in accordance with the Disclosure (CRR) part of the PRA Rulebook.

The liquidity disclosures completed at UK Domestic Liquidity Subgroup (UK DoLSub) level are published in the NatWest Holdings Group Pillar 3 report. The UK DoLSub waiver allows NWB Plc, RBS plc and Coutts & Co to manage liquidity and funding as a single sub-group rather than at an entity level.

Within this document row and column references are based on those prescribed in the PRA templates. Any rows or columns that are not applicable have not been shown however explanations have been added as appropriate.

In the report, in line with the regulatory framework, the term credit risk excludes counterparty credit risk, unless specifically indicated otherwise.

The Pillar 3 disclosures are presented in pounds sterling ('£') and have not been subject to external audit.

For definitions of terms, refer to the Glossary and Acronyms document available on [investors.natwestgroup.com/reports-archive/2025](https://investors.natwestgroup.com/reports-archive/2025).

## Annex I: Key metrics and overview of risk-weighted assets

### Coutts & Company - Key points

#### CET1 ratio

**11.4%**

(Q4 2025 – 11.4%)

The CET1 ratio remained static at 11.4% due to an immaterial increase in both CET1 capital and RWAs.

#### RWAs

**£11.0bn**

(Q4 2025 - £11.0bn)

Total RWAs remained broadly unchanged at £11.0 billion.

#### UK leverage ratio

**7.6%**

(Q4 2025 – 7.6%)

The leverage ratio remained static at 7.6% due to an immaterial increase in Tier 1 capital offset by an immaterial increase in leverage exposure. The key driver of the leverage exposure movement was an increase in other financial assets.
