Q3 2024 performance highlights¹

During the third quarter, we have focused on our strengths in supporting our customers' evolving needs with financing and risk solutions.

| | | | |
|------------------------------|--|---|--|
| Financial performance | £284m Total Income | £231m Other operating expenses ² | £20m Profit for the period |
| Capital and leverage | 17.3% CET1 Capital ratio vs medium term target of around 14% | 4.6% Leverage ratio vs greater than 4% medium term target | 42.4% MREL ratio vs greater than 30% medium term target |

- Total income in Q3 2024 was £284m and the profit for the period was £20m. Total income decreased by £39m compared to Q2 2024, mainly due to foreign exchange reserves recycling, lower Fixed Income revenues, a reduction in profit share with NatWest Group subsidiaries, partially offset by higher income in Currencies and Capital Markets.
- Total operating expenses for Q3 were £254m (Q2 2024: £337m). Litigation and conduct costs of £23m reflected ongoing progress in closing legacy matters. Other operating expenses were £231m (Q2 2024: £298m), with the reduction largely due to VAT recoveries in Q3, in addition to higher staff and severance costs recognised in Q2.
- Capital positions remains robust, with strong CET1 ratio of 17.3%, MREL of 42.4% and a leverage ratio of 4.6%.
- RWAs were £21.5bn (Q2 2024: £20.5bn), with higher credit, counterparty credit and market risk.
- Climate and sustainable funding and financing continued to perform well. As at the end of Q3 2024 we had delivered £45bn towards the NatWest Group climate and sustainable funding and financing target of £100 billion between 1 July 2021 and the end of 2025³.
- NWM Plc issued public benchmark transactions amounting to £4.5bn in the nine months ended 30th September 2024. Transactions comprised issuances under our EMTN programme of €2.5bn and CHF0.18bn respectively and an issuance under our US MTN programme of \$2.75bn. NWM Plc also raised funding in other formats throughout the period including, but not limited to, structured note issuance.

Notes: (1) Income and loss for the period relates to NWM Plc consolidated, other amounts relate to NWM Plc solo. (2) Excludes litigation and conduct costs. (3) NatWest Group uses its climate and sustainable funding and financing inclusion (CSFFI) criteria to determine the assets, activities and companies that are eligible to be counted towards its climate and sustainable funding and financing target.
